## 6. Funding

Funding for the entire tournament will be provided once again by the generous sponsorship of ASDA.

### County Payments

The system for allocating funding to counties has been brought into line with the Indicative Fixed Fee Payments System as specified in the Memorandum of Understanding between the ECB and the Recreational Assembly (RA) on 5<sup>th</sup> April 2006.

There is a total pot available to all counties for the entire competition of £60,000. From this pot a share is available to each county based on the formula as agreed by the RA. In short this formula is determined by a county's Cricket Clubs (Focus, Junior Section & Affiliated), Schools, Population and Priority Areas in relation to all other counties.

This total is then paid in two amounts directly into the accounts of each County Board:

- March: 70% of the Fixed Fee Payment.

- October: Remaining 30% of the Fixed Fee payment pending achieving targets.

Payments therefore will be made in direct relation to the targets your County Board have set out with your RDM in the IPP Process 2.7 – Competition Development. Once all data forms have been completed, collected and collated the Annual review Process in September can be completed upon which the second instalment of the FFP will be made.

See appendix vi to see the Funding Breakdown.

#### Regional Final Funding

The funding for each Regional Final is £500, paid directly to the County Board which hosts and manages the event. This sum will be added to the October payment dependent upon it's successful completion.

### 7. Equipment

At all levels of the Tournament the use of Kwik Cricket equipment is mandatory. Wooden bats may not be used. Players will not be permitted to wear gloves or pads - batting or wicketkeeping. The type of ball used throughout all stages of the tournament must be an orange Kwik Cricket ball. Do not use a Kinder Ball, a Windball, an Incrediball, tennis balls or any other soft ball.

All equipment used in the National Finals will be provided by the ECB and is the only equipment that may be used.

## 9. Public Relations

As you know ASDA are once again the sponsors of Kwik Cricket.

The good news is, as many of you found out last year, ASDA are very keen to not only name the event, but be involved within its delivery linking their stores to the district, county and regional finals.

Through Kwik Cricket, ASDA are attempting to communicate their key messages of Community and Healthy Living.

You will be provided contact details of local ASDA stores by Simon Hawk whom all of you would have had contact with last year, [simon.hawk@uk.havassports.com](mailto:simon.hawk@uk.havassports.com) (020 7785 1892).

It is **your** responsibility to contact the ASDA stores, who should be happy to help out. Please note ASDA's sponsorship is not just about providing refreshments. **Interaction** is the aim here. As such they should be getting involved as much as possible in the run-up to the competition (e.g. publicising the competition in store) to working on the day (e.g. meeting and greeting the schools, car park attending, presenting the prizes and certificates) making sure they are interacting as much as possible in the event. ASDA stores will want to do this, so please embrace their help.

At events please also ensure photos are taken of the event, the winners and any ASDA store involvement, sending the pictures to [simon.hawk@uk.havassports.com](mailto:simon.hawk@uk.havassports.com) .

Simon will be liaising with the local press again to publicise the tournaments, but please do anything you can do to help to get the local press to the events and it is extremely important to send Simon all of the press cuttings also.

Also please liaise directly with Simon, about which stores were helpful and interacted fully, because on your recommendation, they will be rewarded with Twenty20 tickets by ASDA Head Office as a thank you.

Further information will be circulated nearer the time.

## 10. Safe Hands – Cricket's Policy for Safeguarding Children

Most children who play cricket enjoy a very positive experience. However, the ECB recognizes the possibility that individuals who seek to harm or take advantage of children may use cricket to gain access to them. The nature of cricket, the close proximity of adults to young players, the concentrated and competitive environment, could potentially place children in a vulnerable position. On the other hand, the strong professional relationships created with coaches, managers and other volunteers mean that cricket is also in an excellent position to play a positive role in safeguarding children.

The following guidance is about safeguarding children whilst they learn to play cricket. It will also help to protect coaches from unnecessary or malicious allegations when working with children. Always conduct coaching sessions with at least one other adult present. The ECB understands that physical contact between a child and an adult may be required to instruct, encourage, protect or comfort.

All adults must understand that this touching not only involves touching children or when showing them cricket postures, but can also include responsive or pleasant actions, e.g. when asking the child to carry out a task, or celebrating a win. If any child is not comfortable with physical contact it should be made clear that they can make their feelings known privately to the adult. Any contact should be lead by the child and not the adult.

### **Physical contact should always be intended to meet the child's needs not the adult's.**

Never touch a child inappropriately. A responsible adult should only use physical contact if its aim is to:

- develop sports skills or techniques
- treat an injury
- prevent an injury or accident from occurring
- meet the requirements of the sport

The adult should seek to explain the reason for the physical contact to the child, reinforcing the teaching or coaching skill. Unless the situation is an emergency, the adult should ask the child for permission.

You should never:

- spend time alone with a child away from others
- take children to your home, or in your car, where they will be alone with you
- engage in rough, physical or sexually provocative games
- share a room with a child
- allow or take part in any form of inappropriate touching or physical abuse
- allow children to use inappropriate language unchallenged
- make sexually suggestive comments to a child, even in fun
- make a child cry as a form of control
- ignore allegations made by a child
- do things of a personal nature for children that they can do for themselves.

Information to Teaching/ Coaching Staff

- Be punctual and look the part - create the right image. Be enthusiastic!
- Prepare coaching sessions thoroughly.
- Coaching sessions should be enjoyable, realistic and fun.
- Ensure maximum activity at all times.
- Make allowances for different ages and abilities. Be patient and sympathetic.
- Report any serious injuries to the organiser(s) immediately.
- Equipment should be checked at the start and finish of each session. Any loss of equipment should be reported to the organiser(s) as soon as possible.

Words of Wisdom

- Failing to prepare, is preparing to fail.

- An ounce of theory to a ton of practice.
- Do not talk a demonstration. A picture paints a thousand words.
- Coach the cause, not the result.
- Coaching is serious fun.
- Practice makes permanent. Permanently good or bad.

Closing Remarks should include the following

- Encourage children to practice at every opportunity.
- Point out the importance of playing the game in the correct spirit, and respecting the opponents and officials on and off the field.

## Appendix i: Rules

1. Aim
  - 1.1. The enjoyment for, and fair play by, all players.
2. Pitch
  - 2.1. Two sets of wicket, 16 yards apart.
3. Teams
  - 3.1. Each team comprises of 8 players. Squads are limited to 10 players.
  - 3.2. Quotas pertaining to mixed sex teams have been abolished.
  - 3.3. In the event of injury to a player, a substitute will be allowed to field, but not bowl. Should such an injury prevent the player batting, a substitute will be allowed to bat only with the permission of the opposing member of staff.
4. The Start
  - 4.1. The two teams toss a coin to decide which team has the choice of either batting or fielding first.
5. The Game
  - 5.1. Throughout the Tournament each game shall consist of one innings per team, each innings to be 8 overs long.
6. Batting & Scoring
  - 6.1. The batting side shall be divided into pairs, each pair batting for 2 overs, with a new pair starting at the end of the second, fourth and sixth overs.
  - 6.2. Each team starts batting with a score of 200 runs.
  - 6.3. Each time a batter is out, 5 runs are deducted and the other batter of the pair faces the next ball.
  - 6.4. A batter may be out bowled, caught, run out, stumped, hit wicket.
  - 6.5. There is no LBW law unless the batter deliberately blocks the ball with a leg or foot.
  - 6.6. Runs will be scored in the normal way, as will byes.
  - 6.7. 2 runs will be awarded to the batting team for each wide ball and no-ball bowled, but no extra ball will be allocated, except in the final over of each innings when, in addition to the 2 runs, an extra ball will be bowled. See glossary overleaf for details.
  - 6.8. At the end of the first 2 overs, the first pair of batters retires and is replaced by the second pair until all 4 pairs have batted for 2 overs each.
  - 6.9. The second team then bats for its 8 overs.
7. Bowling and Fielding
  - 7.1. Each player on the fielding side must bowl 1 over.
  - 7.2. Bowling will take place from one end only.
  - 7.3. Bowling should be over arm where possible.
  - 7.4. Players on the fielding side DO NOT need to rotate fielding positions.
  - 7.5. With the exception of the wicketkeeper, no fielder is allowed within 10 yards of the batter until the ball is played by the batter.
  - 7.6. No fielder may field within 10 yards of the wicket, measured from the middle stump except behind the wicket on the off-side. A fielder may move into the restricted area to make a catch or field a ball provided he/she was outside the area when the stroke was made.
8. The Result
  - 8.1. The team with the higher score wins. In the event of a tie the team taking more wickets will be the winner. If it is still equal, each player bowls 1 ball at the wickets (no batter), with the team scoring the higher number of strikes the winner.
  - 8.2. Tied games will be possible in the National Final. See Appendix iii, Organisational Rule 4 on page 10.
9. Eligibility

- 9.1. Please note that the tournament is open to all pupils under the age of 11 (at midnight on 31 August 2007) at State Primary and Middle Schools in England, Wales, Scotland and Northern Ireland.

## **Appendix ii: Glossary**

10. An Over  
10.1 An over consists of 6 balls.
11. LBW  
11.1. In the very simple terms, a batter can be given out if the umpire feels that a ball, which hits the batter's leg, would have hit the stumps. This law will not be used unless a batter deliberately blocks or kicks the ball away with the leg or foot.
12. Byes  
12.1. If a batter misses the ball, or if it hits their body, they may still run and score byes.
13. Wide ball  
13.1. A ball that is too far from the batter to strike will be called a wide. A ball will not be called a wide, no matter how wayward it may be, if the batter manages to hit it.  
13.2. If a ball results in more than 2 wides, they will be added to the batting team's score and the two runs for the wide will be ignored. For example, a bowler delivers a ball so wide it is missed by the wicketkeeper and crosses the boundary for 4. 4 runs are given to the batting side, not 6.
14. No ball  
14.1. If a ball bounces more than once before reaching the batsman, or if it reaches the batsman above shoulder height without bouncing, it will be called a no ball.  
14.2. A batsman may hit a no ball and if the shot results in 3 or more runs being scored, that score will count and the 2 runs for the no ball will be ignored. If 1 or 2 runs are scored the batsman will be credited for the 2 runs for the no ball.

## **Appendix iii: Organisation of the National Finals**

15. Each school shall be permitted a squad of 10 players. The names and contact details each school are to be emailed to [asdakwikcricket@ecb.co.uk](mailto:asdakwikcricket@ecb.co.uk) as soon as they are known, or by Monday 14<sup>th</sup> July 2008. Names and dates of birth of all players are to be handed to Ken Lake (ESCA) on the day of the National Final.
16. The names of the 8 players for each match shall be given to the umpires at the start of the match.
17. The 16 teams will be divided into 4 groups, and each team will play the other teams in their group once.
18. The winning team from each game will be credited with 2 points. If the scores are level, each team will earn 1 point.
19. The winning team in each group will be the team with the highest number of points after all the games have been completed.
20. If 2 teams lead a group with the same number of points, the winner will be the team that won the match between the 2 teams. If that match ended in a tie, the winner will be the team that scored the most runs in the 3 matches played.
21. If there are more than 2 teams per group with the same number of points, the winner will be the team scoring the most runs in 3 matches played.

22. If still equal, the winner will be the team with the higher difference between runs for and runs against. If still equal, each player bowls one ball at the wickets (no batter), with the team scoring the highest number of hits the winner.
23. The group winners will go forward to the Semi-Finals.
24. In the Semi-Finals or Final, if the scores are level, the team taking the most wickets will be declared the winners.
25. Should both sides have taken the same number of wickets, a bowl out will take place (see paragraph 7 above).
26. The decision of the Tournament Working Party is final in regard to any disputes or infringements of the rules.
27. Attention is drawn to the ECB publication 'Safe Hands – Cricket Policy for Safeguarding Children', in particular to the guidelines concerning the use of photography and video.
