

SKILL AWARDS

ORDER FORM

Dear Teacher/Coach,

As a member of a Kwik Cricket playing school or cricket club you know how much the children enjoy the game.

The Skill Awards Scheme has been designed as a series of incentives that help you meet the requirements of the National Curriculum. It encourages boys and girls to learn and enjoy the skills of cricket by providing a reward for achieving a good standard. It also promotes the development of important ball, hand and eye co-ordination skills which help children in whichever sport they go on to play.

Anyone age 7 to 11 is eligible to attempt the Awards, regardless of sex and ability. The Awards are passed by demonstrating the appropriate skill in each of the disciplines, which are simply explained on the instruction sheet accompanying each level of Award.

We recommend that children attempt the tests in groups of 2-6. The tests can be taken over a period of time and individual scores noted on the marking sheet. Given that children will not be able to concentrate for too long, perhaps a suitable team game could be played for part of the period. There are a variety of small-sided games within the HOWZAT! 1st Innings resource pack.

When youngsters have passed the Award, they receive a certificate on to which you should write their name. You can also purchase a badge for their tracksuit or sports kit.

To obtain certificates and badges, complete the order form below and return it with the correct payment to the address below. Please make cheques payable to Readers and don't forget to include an additional 50 pence for postage and packing.

We hope you decide that your school should participate in the Skill Awards Scheme. If you need any further help or information please email: education@ecb.co.uk. Have Fun!
