Jacksons

Quality that lasts

Fine Fencing, Gates & More

Now is the time to start looking at what improvements can be made around your club. And what better improvement to make than utilising limited outdoor space to create an alfresco area for members and families, where they can relax, eat, drink, outside in the sunshine and enjoy the game.

With this in mind Jacksons Fencing is offering 30% discount on all decking and jak-deck kits to help you create your desirable outdoor space. This offer ends 31st August 2010.

By creating a new outdoor space, the club will become more inviting to existing and potential members for a place to socialise, which in turn will generate more income for the club.

For more details on this Jacksons Fencing decking offer call 01233 750717 or email sara.smith@jackons-fencing.co.uk.
