Spitfires set sights on Twenty20 repeat

Kent Spitfires are aiming to become the first team to retain the Twenty20 Cup since its inception in 2003 on Saturday's finals day at the Rose Bowl.

Captain Rob Key led the Spitfires to glory against Gloucestershire Gladiators at Edgbaston last season in a final memorable for Ryan McLaren's hat-trick.

Kent meet Essex Eagles in the first semi-final before Durham Dynamos face Middlesex Crusaders with the added incentive of a place in the new Champions League for the two finalists.

There is a £2.5million jackpot for the winners of the Champions League which also includes the two best sides from the Indian Premier League plus Australia and South Africa's domestic Twenty20 competitions.

Essex boast this season's Twenty20 sensation in Graham Napier. The 28-year-old hit the headlines with a blistering 152 not out from 58 balls, including 16 sixes and 10 fours, in the Eagles' crushing win against Sussex Sharks at Chelmsford.

Napier followed this up in the quarter-final against Northamptonshire Steelbacks at the same venue with 4-10 in his four overs which led to a 59-run victory.

His team-mate Danish Kaneria said: "Graham Napier has been batting excellent and he has been clearing the boundary line with anything.

"I hope on that special day we get some very exciting batting and some good bowling from him. He's been our key player in Twenty20 and doing very well and I am confident he will prosper in the semi-final and final."

Essex's opponents Kent reached finals day thanks to a 42-run triumph against Warwickshire Bears at Edgbaston at the second time of asking a day after the tie had been washed out.

Middlesex youngster Dawid Malan's superb century helped the South Division winners past Lancashire Lightning by 12 runs at the Brit Oval while their Lord's home was unavailable.

Durham beat Glamorgan Dragons by 44 runs at the Riverside in their delayed quarter-final on Tuesday.

HOURS OF PLAY

FINALS DAY

First semi-final

- 1st session11:30am-12.45pm
- Interval12.45pm-1.00pm
